MONDAY, Aug 15. POLICE OFFICE .- ARREST OF A COUNTERFEIT-ER .- A man named Garret Garretson, alias John Hopper went to-day into the grocery of Thomas Wilson, No. 396 Greenwich-street, purchased half a pound of tea and gave a \$10 counterfeit bill of the Had-on River Bank in payment Mr. Wilson observing it to be bad, asked him if he had no other money. He said none less, and pulled out and handed him a \$20 bill purporting to be of the Seventh Ward Bank, but which had been altered from a \$20 bill of the broken Tenth Ward Bank. Who would not live in such a land? And yet unless yon were well supplied with Peter's Pills, the foulfend of Indigestion would seize upon you and prove the direct foe of your peace by day and of your ease by night. But see how it is here in the United States. Pigs and Turkies are exceeding plenty, but Peters's Pills and Lozenges are much more plentiful, and scarcaly one out of a kundred of her 17,000,000 of inhabitants groans under the horrors of the nightmare, and these are the only persons who do not use these wonderful medicines. SANDS'S SARSAPARILLA.—The proprietors submit to the public the following certificate, from a highly respectable source, of a cure made by using their preparation of Sarsaparilla, which cannot but have the effect of placing beyond all doubt the curative powers of this medicine:

"Mew-York, August 3, 1842.

"Messrs Sands—Gentlemen; Under a feeling sense of gratitude inherent to us all when suddenly relieved from suffering and disease, I now, as an act of justice due to you, and with a view of relieving the afflicted, make known to the world the inestimable benefit I have received from the use of your Sarsaparilla. In the year 1832 I sailed from England in a vessel bound for Quebec, and white on the passage first discovered the disease which after proved to passage had to the sole of my foot there was no soundness in me.' From the time first mentioned down until the present, a period of more than ten years, I have suffered all that human nature was capable of bearing. I have been under the tare of the most distinguished physicians both in this county and in England, visited Bath, Chelienbam, Bristol and ry and in England, visited Bail, Oderball and Gloucester, tried various spécifics, among others a large quantity of Swaim's Panacea, used sulphur baths, &c &c. as a last resort I was induced to wrap myself up in tar ointent, keep myself secluded, shanned by all, myself also shunning. I was induced to believe my case a hopeless one. ment, keep myself sectived, shanned by all, myself also shunning. I was induced to believe my case a hopeless one. In August last, by the advice of friends, I went to the New-York Gity Hospital, but was there tood that my case was incurable. The disease now enveloped my whole body, rendering me almost helpless; the skin thickened and tracked, and blood and matter ran, and life itself became almost a burden. A new weeks since I was induced to use your Sarsaparilla by hearing it so highly recommended, having spent near \$3000 without obtaining but little relief. After using it a short time I found myself better, and now, by using six or eight bottles, costing me less than ten dollars, Iam well! Yes, I certify and declare to the world, that after spending near \$3000 in traveling and doctoring, and suffering more than can be told, I was perfectly cured by using your invaluable preparation of Sarsaparilla; and I now recommend it to all similarly afflicted. Those wishing to know farther particulars will find me at my residence, No Z Warren-street, N Y, where I shall be happy to communicate any thing in relation to the above cure.

IT ONE THOUSAND DOLLARS—An Advertisement headed "An Extraordinary Case," (which statement can be seen at the store of Mr. Burger, 50 Cortlandt-street,) having been inserted in several of the city papers, and as I understand the truth of the matter has been questioned, therefore I offer to bear any gentleman's expenses to this city, convey him to the residence of the person, pay him two dollars per day for his time, and give him one thousand dollars, it he will prove any material part of the statement to be untrue. Any person desipous of testing this matter can, by calling an Mr. Burger' receive satisfactory evidence that the money will be ready. I would here take occasion to state, that the truth of the statements of cures performed by Bristol's Sarsparilla can be substantiated in every instance. The public will not confound this article with the many articles of Sarsaparilla advertised.

Dector Thompson, Again.—To the Editors of the Tribune—Sirs—The account published in The Times a week ago to-day, in relation to my wife being relieved at 342 Broome street, by Dr. Thompson, at a distressing cough and raising blood, is correct, and sie still continues better, for which I feet thankful. I have seen this day a more astonishing result from the Doctor's practice; it was a gentleman from New Orleans, who informed me he had been under Dr. Thompson's care three days for an obstinate cough of two years' standing, and that he declares himself better than he had been before in eighteen months, and his joy and satisfaction appeared to be unbounded.—Call at the Doctor's office, and you will find plenty of witnesses there and in the neighborhood. I Doctor Thompson, Again .- To the Edit nesses there and in the neighborhood.

and your Expectorant; and now I come torward cheerfully to fulfil my promise.

For twenty long years had I been a constant sufferer from the effects of a hard, dry cough, pain in my breast, and dif-ficulty of breathing; the last five of which, chills and fevers, every spring and fall, were added to my misery. I was worn away to a mere skeleton; with the greatest difficulty only could I get up and down stairs; my appetite was gone, and my strength had so far failed me that my frieads were persuaded I could not survive many weeks, unless I obtain refree. Indeed, sir, my situation was so miserable to
